The above-mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages. This is page 1 of 3.

GAME DESCRIPTION

7 Bar Cherry is a three reel, one line skill stop redemption game. The player can insert from one (1) to three (3) coins/tokens. The number of lines played increases as each coin/token is inserted. Once the player is ready or inserts maximum number of coins/tokens, the player then hits the "Spin" button or uses the right side handle to begin play. The game reels will spin until stopped by the player using the skill stop buttons for each reel, or after a minute of reel spin. When the reel have stopped the game evaluates the symbols on the three reels. The winnings are determined by the positions of the reels. The top award is paid when three "7" symbols are on the pay line in conjunction with a maximum coin/token bet.

CONDITIONS

This certification is conditioned upon the following:
